

TuffStuff™ Premium Creped White Wipe

Aerospace Grade Critical Task Wipes

Description

TuffStuff Premium is a white nonwoven creped wipe made with 55% special cellulose and 45% polyester. TuffStuff Premium wipes offer extremely low lint, high strength, good absorbency and versatility. Ideal for a wide range of critical cleaning tasks essential to industries such as biotech, pharmaceutical and electronics, they are very effective in applications such as surface preparation for coatings, machining operations, and general maintenance. TuffStuff Premium wipes are available in 100-count single and 250-count double pop-up boxes.

Features and Benefits

- Exceptionally clean
- Contains no binders
- Very absorbent
- Extremely low linting
- Durable, maintains strength when wet
- Solvent resistant
- Non-certified aerospace grade wipes

Applicability

The information presented here is applicable to the part numbers shown below as well as to any product containing the same materials and produced under the same conditions, regardless of product size or packaging configuration. Please contact a Contec sales representative for more details.

TSWC0917, TSWC1217

Notes:

- 1) Data shown are typical values and should not be used as product specifications.
- 2) Valid product comparisons may only be obtained through side-by-side testing in the same test facility, under similar conditions.
- 3) Boxed wipers are not tested for particles, extractables, ions and fiber shedding.
- 4) Current and/or comparison data may be available. Please contact a Contec sales representative for details.
