

GripForce™ Aluminum Large Floor Mop Frame w/Premira® Disposable Mop Pads

Large, single-use microfiber floor pads for large surface areas

Effortlessly maintain cleanliness in expansive spaces with our GripForce™ Aluminum Large Floor Mop Frame w/Premira® Disposable Mop Pads, specifically designed to maximize efficiency and performance. The wide frame seamlessly pairs with our wide Premira Disposable Microfiber Mop Pads and our ZeroGravity® Handles, making it the perfect solution for covering large areas such as hallways, common areas, and gyms quickly and effectively.

Versatile and adaptable, this mopping system can be utilized as a dust mop or in conjunction with a cleaner, offering the flexibility to be used wet or dry on various hard surface flooring. Whether tackling dust or applying cleaning solutions, the wide frame ensures consistent pressure is applied across the mop pad, guaranteeing even cleaning and uniform application of chemistry.

Even and consistent cleaning
Choose the GripForce™ Aluminum Large Floor Mop Frame w/Premira® Disposable Mop Pads for a reliable, efficient, and versatile cleaning solution that meets the demands of extensive floor care.

Features	
Wide Coverage: Ideal for large areas, reducing cleaning time significantly.
