

# TuffStuff™

## Critical Task Wipes for Various Environments

TuffStuff™ Wipes are high quality critical task wipes. Available in Light, Medium and Heavy Duty, these wipes are solvent resistant and maintain their strength even when wet. TuffStuff wipes offer exceptional durability and cleanliness making them ideal for critical cleaning in biotech and pharmaceutical industries as well as equipment and production line maintenance.

TuffStuff Wipes are available in multiple sizes, weights, and packaging configurations to meet the various customer needs.

The expanded range includes TuffSat™, consisting of heavy-duty dry wipes, quarter folded in a tub that can be saturated with cleaning solution. This versatile option allows wipes to be customized with the correct cleaning solution for that particular environment.
