

# Cleaning Product Recommendations for Facilities Management & Building Service Contractors

*Clean counts most*

# Working Side-by-Side for Positive Outcomes

Contec® has a long history of providing cleaning professionals the best products for taking care of facilities where clean counts most. Whether your team is tasked with cleaning offices, retail spaces, manufacturing plants, or other nonresidential environments, we can help. We understand the operational complexities of maintaining a wide variety of workplaces, and we work side-by-side with our partners to help them clean more efficiently and effectively.

Contec Professional offers a full product portfolio for cleaning, disinfecting, and ongoing maintenance. Our superior single-use mops, wipes, and dusters pick up more dirt and grime. They also help your team increase efficiency and improve the consistency in results. Our hardware is durable yet lightweight, helping to reduce strain and ergonomic issues related to cleaning.

Some of the areas where Contec Professional mops, wipes, dusters, and hardware are used include:

- Lobbies and reception areas
- Offices and cubicles
- Boardrooms and meeting areas
- Restrooms
- Breakrooms and canteens
- Kitchenettes
- Gyms and on-site medical spaces
- Mainframe and IT areas
- Hallways and corridors
- Stairwells and handrails
- Elevators and escalators
- Windows, glass walls and doors

For more information about how Contec Professional can help your team clean faster and easier, please visit [ContecProfessional.com](https://ContecProfessional.com) or contact your local Contec rep.

## Mops

We provide single-use microfiber mop pads, disposable string mops, spill pads, and more for cleaning and maintaining all types of flooring.

## Wipes

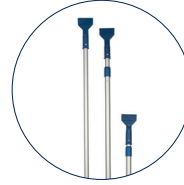

Available in both perforated rolls and quarter folded styles, we offer a wide variety of wipes for cleaning any surface.

## Dusters

Our dusters come in multiple options for every hard-to-reach area and also can be used with our disposable dusting sheets.

## Hardware

Along with patented backer plates, our ultra-lightweight hardware and space-saving accessories are developed to maximize cleaning efficiency.
