

SorbMore™ Absorbent Pad

Fast and easy way to absorb spills

Contec continues to develop products that are more clean, convenient, and compliant for facilities where clean counts most. For quick and simple spill management, the SorbMore pad absorbs up to 24 ounces of water in as little as 45 seconds. Leave it on the spill for longer, and one SorbMore pad can absorb up to 40 ounces.

SorbMore is compatible with ZeroGravity™ hardware to facilitate absorption as well as hands-free removal of the mop pad from the floor and into the trash.

USE MANUALLY OR WITH OUR HARDWARE

Options to suit your cleaning needs

Contec Professional developed SorbMore™ pads to be picked up by hand or by using our patented ZeroGravity™ mopping system.
