

SATWIPES® Hand Scrubber Towels

Convenient, solvent-free cleaning

Through a brand refresh, Contec has determined that our SATWIPES® Hand Scrubber Towels will be changed with respect to packaging and wipe design, and hand cleaning formulation.

SATWIPES® Hand Scrubber Towels are a superior value hand cleaner/towel combination. The powerful solution does not contain any solvents that dry out your skin. Yet, it very effectively dissolves grease, grime, oil, lubricants, paints, tar, inks and more. Soils are lifted from your hands and captured in the heavy-duty towel.

SATWIPES Hand Scrubber Towels feature a dual-textured towel with orange colored scrubber on one side for deeper, faster cleaning. Made from polypropylene material, the towels stay moist for hours allowing for multiple uses.

SATWIPES Hand Scrubber Towels are convenient and economical to use. The compact canister saves space when compared to most competitive products. Each canister has a handy, resealable dispensing top. The hand cleaner/towel combination eliminates the need for paper towels, shop rags or water.
